

ABBY'S ARMY MATCHING FOR THE PR-COIN FUND

ABOUT PR-COIN

The mission of PR-COIN is to build a thriving and inclusive community of patients, families, clinical teams and researchers that uses quality improvement science to deliver exceptional and equitable health care to children with rheumatic diseases and to bring research discovery to patients faster.

OUR \$30K GOAL

Abby's Army's mission is to improve the lives of children diagnosed with juvenile arthritis and assist their families with the financial challenges associated with managing the disease.

Funds raised will be used by PR-COIN to provide \$500 in travel funds to each PR-COIN center to increase access to care for low-income families, enable PR-COIN family newsletter and social media outreach to patients and families, allow for continued development and sharing of PR-COIN patient and families toolkits, and more!

Our goal is to raise \$30,000. This combined with Abby's Army \$20,000 donation will allow us to apply for a matching \$50,000 grant for a \$100,000 impact. Donations are tax-deductible and 100% of donated funds will go towards PR-COIN (less credit card transaction or processing fees, as applicable).
